Inspiron brand

Inspiron laptops are easy to use, easy to own, and keep you connected to everything that matter to you. They are designed to deliver exceptional value for today's consumers looking to get more out of life.

Easy – Regardless of price, consumers want a product that is easy to set up and ready to use once it is out of the box. They want to create and share content between devices regardless of operating system or form factor with ease. Dell products are designed to make that happen with the latest technology, a range of hard drive storage and memory options, sharp high resolution displays that can be viewed at any angle, firm keyboards that are easy to type on for hours and a complete audio solution that includes headphones, external speakers, and unique software options.

Meaningful Innovation – Dell strives to help its customers interact with what matters most to them. Innovative technologies help people to get more out of life, and should meet the needs of today and tomorrow. Lags, delays and buffering become a thing of the past. The latest processors and graphics zip through video edits. Brilliant displays provide crisp, honest representation of your content. Specially tuned audio provides immersive sound. Wireless connects quickly and stays connected. Purposeful innovation makes all of this more fun, especially when it's so seamless.

Inspiron 14 15 5000

Feature Overview

Technology tailored to you

Created with you in mind, the new Inspiron 14" and 15" laptops feature easy-to-use innovations to help you stay productive.

Features of function

- The unmatched speed and intelligence of up **11th Gen Intel® Core™ processors and Intel® Iris® Xe graphics** (i5/i7 only) makes your experience fast, smooth and easy. With up to **32GB DDR4 memory**, you can easily switch back and forth between open applications.
- Enjoy up to **2TB PCIe NVMe SSDs** for responsive and stable performance on-the-go. Plus, you have the ability to **expand to two NVMe SSDs (M.2)**, and an advanced user can set up the two SSDs in a RAID 0 or RAID 1 array, configurable in the BIOS.
- See every scene in style with a beautiful **FHD wide-viewing angle display**. Sleek narrow borders and an expansive screen-to-body ratio focuses your attention where it belongs - on your screen. Select a touch option for added interaction with onscreen content (5501 only).
- **ExpressCharge™** minimizes the time you spend tethered to the wall and will recharge your battery in a flash (up to 80% in 60 minutes*).

*Within Dell Power Manager software, selecting ExpressCharge™ can recharge system battery from 0% up to 80% within 60 minutes. After charging has reached 80% capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging time may vary +/-10% due to system tolerance.

Inspiron 14 15 5000

Feature Overview

Technology tailored to you

Be productive, whatever you do

- A built-in **lid sensor** allows you to open the lid and power up in a snap, no matter what power-state you are in.
- A **multifunctional USB Type-C™ port** gives expanded peripheral compatibility, while supporting display port and power delivery so you can have more screen space when you want it.
- On the 15" laptop, easily crunch numbers with the **numeric keypad**.

Experience intuitive new details

- Sleek and clean design elements like **diamond-cut edges** around the touchpad and the **aluminum** cover and palm rest add a luxe touch. 17.9% larger* than previous generations on the 14" and 9.5% larger* than previous generations on the 15", the **touchpad** provides extra room for navigation.
 - A **lift hinge** makes for a more comfortable typing angle and improved air circulation under your device.
 - Carry on your day in comfort, thanks to an easy-to-hold **rubber hinge cap** (available on 5401 & 5501).
- New **adaptive thermals** uses advanced algorithms and accelerometers to know when your laptop is in your hands, lap or on a desk. This allows it to intelligently adapt its thermal profiles to the situation; unleashing full power when stationary on a desk for maximum productivity.

**Based on Dell internal Analysis, April 2020.*

Inspiron 14 15 5000

Feature Overview

Technology tailored to you

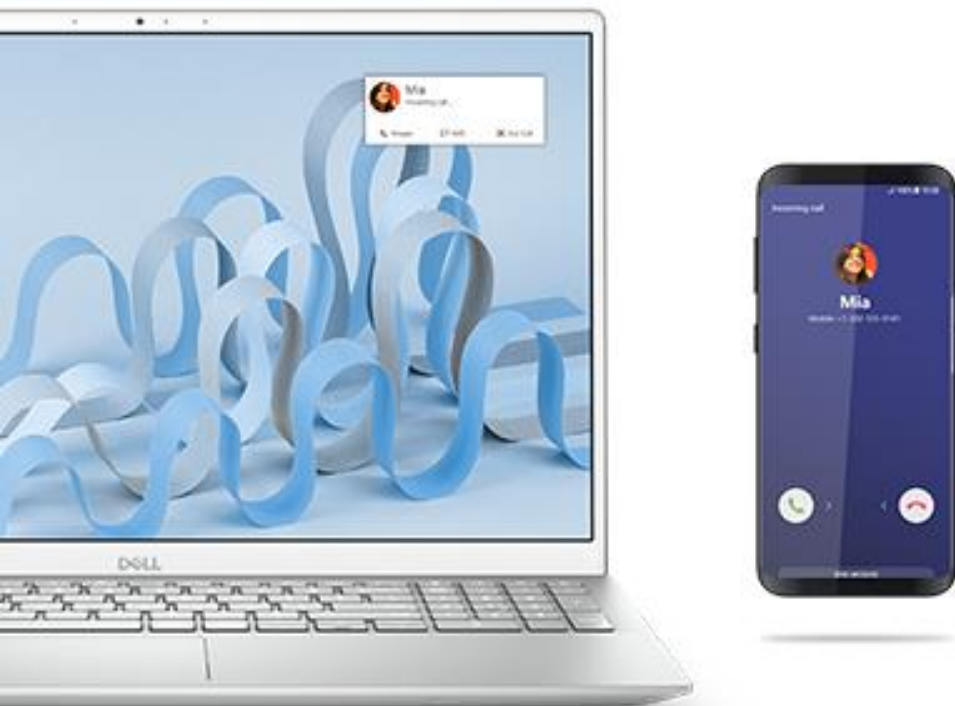

Customize your experience

- Pick from a **variety of color options** and extend your own personal style to your laptop. For a classic, yet contemporary color, select Platinum Silver. Inspired by the beauty found in nature, pick from Eden, River Rock, Pebble, or Element for a muted, yet stunning look. On Pebble and Element, the uniform anodized finish on the cover and hairline finish on the black palmrest come together to create a harmonious contrast and visually captivating experience.
- With the new **802.11 AX wireless protocol**, also known as **WIFI 6**, your Inspiron's WIFI transfer speeds, range and reliability works better than ever in busy coffee shops and other high-traffic areas. You'll also enjoy a greater range from hotspots.
- The newly redesigned power button is neatly incorporated into the keyboard for a sleek and streamlined look. Experience total integration with the **optional fingerprint reader** on the power button that allows you to log in securely with a single touch.
- Enjoy the extra power and optimal everyday performance of **optional NVIDIA® GeForce® MX350 discrete graphics** with up to 2GB GDDR5 graphics memory.
- Whether you're in bed at night watching your favorite streaming video or traveling in a dark airplane cabin, an **optional backlit keyboard** allows you to easily type in dim-light settings.

Inspiron 14 15 5000 Feature Overview

Technology tailored to you

Unite your devices with Dell Mobile Connect

- **Access multiple devices** without dividing your attention – Dell Mobile Connect pairs your iOS or Android smartphone with your laptop.
- With Dell Mobile Connect, **communicate with ease**. You can make calls, send texts, get notifications, and even mirror your phone onto your PC to interact with all your favorite apps.
- Enjoy fast and easy **file transfer*** from PCs to smartphones and vice-versa. Quickly move photos, videos, music and documents without complicated cloud storage services or cumbersome cables.
- Your phone connects to your PC via Dell Mobile Connect's point-to-point, **secure connection** so your data is never exposed via unsecure internet connections.

**Music and document transfer is not available on iOS phones.*

Optional Inspiron accessories – 14”

You can maximize the versatility and performance of your Inspiron 14 5000 with Dell recommended accessories to keep you entertained and connected in any room.

Dell 24 monitor - S2419H

Complement your desk with this beautiful 23.8" monitor featuring a virtually borderless InfinityEdge display and experience premium sound with built-in dual 5W Waves MaxxAudio® speakers.

Dell Adapter - USB-C to HDMI/VGA/Ethernet/USB 3.0 – DA200

Conveniently connect your Inspiron to multiple devices – projectors, TVs, displays, and Ethernet – with just one dongle

Dell Multi-Device Wireless Mouse (MS5320W)

Sculpted mouse lets you work flexibly across 3 devices and offers you absolute peace of mind with up to 36 months* battery life.

**Battery life may vary depending on the usage and computing conditions.*

Dell Notebook Power Bank Plus (18,000 mAh) - PW7015L

Power and charge your PC along with your phone and tablet while on the go with the Dell Power Companion.

Dell Multi-Device Wireless Keyboard/Mouse Combo (KM7120W)

Designed to work seamlessly across 3 devices, this compact combo keeps your desk clutter-free and lets you stay productive with up to 36 months* battery life.

Dell Pro Briefcase 14 (PO1420C)

The eco-friendly Dell Pro Briefcase 14 (PO1420C) protects your laptop from impact with shock-absorbing EVA foam encased in a durable water resistant outer skin.

Optional Inspiron accessories – 15”

You can maximize the versatility and performance of your Inspiron 15 5000 with Dell recommended accessories to keep you entertained and connected in any room.

Dell 24 monitor - S2419H

Complement your desk with this beautiful 23.8" monitor featuring a virtually borderless InfinityEdge display and experience premium sound with built-in dual 5W Waves MaxxAudio® speakers.

Dell Adapter - USB-C to HDMI/VGA/Ethernet/USB 3.0 – DA200

Conveniently connect your Inspiron to multiple devices – projectors, TVs, displays, and Ethernet – with just one dongle

Dell Multi-Device Wireless Mouse (MS5320W)

Sculpted mouse lets you work flexibly across 3 devices and offers you absolute peace of mind with up to 36 months* battery life.

**Battery life may vary depending on the usage and computing conditions.*

Dell Notebook Power Bank Plus (18,000 mAh) - PW7015L

Power and charge your PC along with your phone and tablet while on the go with the Dell Power Companion.

Dell Multi-Device Wireless Keyboard/Mouse Combo (KM7120W)

Designed to work seamlessly across 3 devices, this compact combo keeps your desk clutter-free and lets you stay productive with up to 36 months* battery life.

Dell Pro Backpack 15 (PO1520P)

The eco-friendly Dell Pro Backpack 15 (PO1520P) protects your laptop from impact with shock-absorbing EVA foam encased in a durable water resistant outer skin.

Optical Drive Options	No Optical Drive	Regulatory and Environmental Compliance	Energy Star 8.0 (Windows OS only)

NOTES:

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Battery life figures are based on testing using the Mobile Mark 2014 battery life benchmark test. For more information about this benchmark test, visit www.bapco.com. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

Watt Hour (Whr) - The stated Watt Hour (Whr) is not an indication of battery life.

Notebook Weight: Weights vary depending on configuration and manufacturing variability.

NOTES:

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with product configuration and operating environment.
Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Battery life figures are based on testing using the Mobile Mark 2014 battery life benchmark test. For more information about this benchmark test, visit www.bapco.com. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

Watt Hour (Whr) - The stated Watt Hour (Whr) is not an indication of battery life.

Notebook Weight: Weights vary depending on configuration and manufacturing variability.

Battery Life Claims

Inspiron 14 5000 w/FHD Non-Touch Battery Life Claims (Model 5401)

The Inspiron 14 5000 has up to **14 hours 16 minutes** of Mobile Mark 14 battery life when equipped with 10th Generation Intel® Core™ i5-1035G1 Processor, NVIDIA® GeForce® MX330 Graphics, 4GB DDR4 system memory, 256GB PCIe NVMe SSD, FHD (1920 x 1080, 4-cell 53 WHr* battery and Windows 10, as tested by Dell labs in March 2020.** The config runtime is subject to regional assortment of system with the above-listed components. Config: MOCKINGN514ICL2101_320

Inspiron 14 5000 w/FHD Non-Touch Battery Life Claims (Model 5401)

The Inspiron 14 5000 has up to **14 hours 28 minutes** of Mobile Mark 14 battery life when equipped with 10th Generation Intel® Core™ i5-1035G1 Processor, Intel® UHD Graphics, 8GB DDR4 system memory, 256GB PCIe NVMe SSD, FHD (1920 x 1080), 4-cell 53 WHr* battery and Windows 10, as tested by Dell labs in March 2020.** The config runtime is subject to regional assortment of system with the above-listed components. Config: MOCKINGN514ICL2101_270

Inspiron 14 5000 w/FHD Non-Touch Battery Life Claims (Model 5401)

The Inspiron 14 5000 has up to **15 hours 21 minutes** of Mobile Mark 14 battery life when equipped with 10th Generation Intel® Core™ i5-1035G1 Processor, Intel® UHD Graphics, 8GB DDR4 system memory, 512GB PCIe NVMe SSD, FHD (1920 x 1080), 4-cell 53 WHr* battery and Windows 10, as tested by Dell labs in March 2020.** The config runtime is subject to regional assortment of system with the above-listed components. Config: MOCKINGN514ICL2101_322

Inspiron 14 5000 w/FHD Non-Touch Battery Life Claims (Model 5401)

The Inspiron 14 5000 has up to **15 hours 07 minutes** of Mobile Mark 14 battery life when equipped with 10th Generation Intel® Core™ i5-1035G1 Processor, NVIDIA® GeForce® MX330 Graphics, 8GB DDR4 system memory, 512GB PCIe NVMe SSD, FHD (1920 x 1080), 4-cell 53 WHr* battery and Windows 10, as tested by Dell labs in March 2020.** The config runtime is subject to regional assortment of system with the above-listed components. Config: MOCKINGN514ICL2101_327

ExpressCharge™

The Inspiron 14 15 5000 (5401 5402 5408 5409 5501 5502 5508 5509) can charge **up to 80% battery capacity in as fast as an hour** with ExpressCharge™ enabled in the Dell Power Manager Software.***

The config runtime and starting weights is subject to regional assortment of system with the above-listed components.

*The stated Watt Hour (Whr) is not an indication of battery life.

**Battery life is based on Mobile Mark 2014 benchmark test, available at www.bapco.com. Test results are for comparative purposes only. Actual battery life may be significantly less than the test results and varies depending on product configuration and use, software usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time.

***ExpressCharge must be enabled within Dell Power Manager software. System must be powered off or in hibernation mode for ExpressCharge feature to function. After charging has reached the stated capacity, charging speed will return to normal speed. Recommended for use with the provided Dell power adapter; not recommended with a smaller capacity power adapter. Charging times may vary.

Inspiron software

Microsoft Office 2016 Trial

Fully loaded with the latest and greatest versions of favorite applications: Word, Excel, PowerPoint, and OneNote.

McAfee LiveSafe

Award-winning security for every device; shields PCs from viruses and online threats like risky websites and dangerous downloads, shreds digital files like e-bills and online bank statements saved on PCs.

Foxit Phantom Standard PDF

Converts PDFs to Word, Excel or PowerPoint formats while preserving fonts, formatting, and layouts; access and share recently viewed PDFs from computers or mobile devices.

SupportAssist

A Windows based software program that automates support from Dell by identifying hardware and software issues on Dell laptops, desktops and tablets. SupportAssist notifies customers when an issue is detected.

Dell Mobile Connect

Allows complete wireless integration between your Dell PC and smartphone. Make calls, send texts, get notifications and even mirror your phone onto your PC to interact with apps

Dell Color Profiles

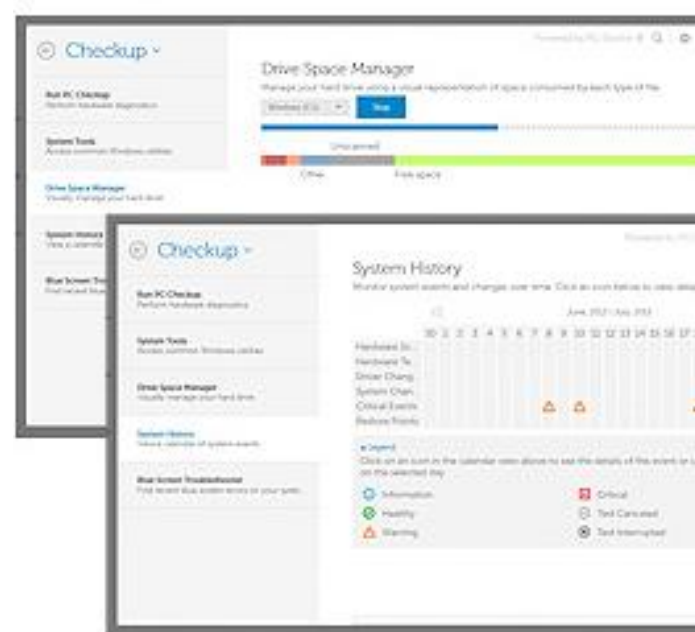

Enhances on-screen content by adjusting perceived color characteristics and assigning color filters based on preference

SmartByte

Experience less buffering, few drops, and better resolution with this network optimizer. It detects, prioritizes, and delivers your video packets ahead of other network traffic, so streaming video and web calls run smoothly.

Waves MaxxAudio® Pro

Professional-grade control panel providing audio controls and tuning that adds dimensionality to music and videos.

Services for Inspiron

Dell has services to help with technology needs throughout the life of your Inspiron. Our mission is to be the technology services provider you trust to keep you connected and productive so you can focus on doing more.

Basic Limited Hardware Warranty Plus Mail-In Service after Remote Diagnosis

Dell's 1 Year Limited Hardware Warranty with Mail-In service after remote diagnosis¹ – If your system encounters an issue covered by Dell's Limited Hardware Warranty² and that issue cannot be resolved remotely, this service offers a Mail-In Repair Service (customer provides box and Dell pays shipping) for defects in materials and workmanship in your PC. You can also upgrade or extend your warranty and support coverage with Dell Premium Support. With Premium Support you get 24x7 access to dedicated Dell tech support experts and up to 86% less time on the phone than Limited Hardware Warranty.³

Dell Premium Support

Tech support can be frustrating with long phone menus, hold times and being transferred again and again. Now, Dell Premium Support, eliminates the hassle with SupportAssist technology by automatically detecting hardware and software issues and proactively alerting you with system alerts and by email when they occur. Our expert technicians even call you with all the information they need to quickly resolve critical issues. You also get 24x7 phone access to experts and onsite support after remote diagnosis¹.

Dell Premium Support Plus⁴

Premium Support Plus for PCs is the best supply plan for your busy lifestyle. Everything you need is included - from easy 24/7 access to experts, to accident repairs, and technicians that come to you.

It keeps your computer running at its best. When used with Dell's exclusive SupportAssist technology¹, it automatically predicts problems before they happen, optimizes PC settings and removes viruses. If there is an issue, work begins without you having to pick up the phone, and that means a faster fix.

Premium Support Plus is the ultimate support experience, designed for you.

Accidental Damage Service⁵

Accidents happen – Dell can help. Minimize the unplanned expenses and downtime by protecting you against unforeseen mishaps caused by drops, spills, surges and breaks. No matter how careful you are, accidents can happen. Accidental Damage Service can provide repair or replacement of your system for accidents up to 3 years, not otherwise covered by the Limited Hardware Warranty.²

1 - Onsite Service is not available on Chromebook or Venue tablets, except the Venue 11 Pro. Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty and not resolved remotely, technician and/or part will be dispatched, usually in 1 or 2 business days following completion of Remote Diagnosis. Onsite Service is provided by Dell Marketing L.P. Availability varies. Other conditions apply. For complete details about Onsite Service, see dell.com/servicecontracts

2 - For copy of Limited Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682.

3 - Based on May 2015 Principled Technologies Test Report commissioned by Dell comparing Premium Support with Ltd. Hardware Warranty tech support troubleshooting for hard drive failure. Actual results will vary. Click here for full report.

4 - SupportAssist: SupportAssist not available on Linux, Windows RT, Android, Ubuntu or Chrome based products. SupportAssist automatically detects and proactively alerts Dell to: operating system issues, software upgrades, driver updates and patches, failures of hard drives, batteries. Predictive analysis failure detection is limited to hard drives, solid state drives and batteries.

5 - This service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customers may be required to return unit to Dell. Limit of 1 qualified incident per contract year. For complete details, visit www.dell.com/servicecontracts.

Important information

.....

Hard Drives: GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

Graphics & shared memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

Wireless connectivity: Where wireless access is available. Additional access charges apply in some locations.

Weight: Weights vary depending on configuration and manufacturing variability.

Limited hardware warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see www.dell.com/warranty.

Dell ProSupport™: Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.

Accidental Damage: Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer may be required to return unit to Dell. For complete details, visit www.dell.com/servicecontracts.

Return for Repair after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware and not resolved remotely, this service offers a 10-14 day mail-in repair option following completion of Remote Diagnosis

Rapid Return for Repair after Remote Diagnosis: Remote Diagnosis is determination by online/phone technician of cause of issue and multiple or extended sessions. If issue is covered by Limited Hardware Warranty (www.dell.com/warranty) and not resolved remotely, shipping instructions will be provided. Next Business Day shipping not available in all areas, which may delay repair and return times. Other conditions apply. For complete details about Rapid Return service, visit www.dell.com/servicecontracts

*EPEAT registration varies by country. Please see www.epeat.net for specific country registration and rating.

CAUTION: GEOGRAPHIC LIMITATIONS ON COMPARATIVE ADVERTISING

Comparative claims are not allowed in all countries. Please see below to learn which countries ban Dell vs. Dell claims, and which countries will allow the claims only if based upon independent third party testing. You may also contact Legal Counsel in the Region where the claim will be made for additional guidance.

3rd party testing required (Do not make claims) in: South Africa, Ukraine, Venezuela.
