NEW! XPS 15

9520

YOUR VISION. MORE VIVID.

- Best-in-class display for a vibrant visual experience: with enhanced contrast ratios, expanded color space and pinpoint accurate resolution (100% Adobe RGB + 94% DCI-P3 color, Dolby Vision, 500-nit, 4K+ resolution). Integrated Eyesafe® display technology helps to reduce harmful blue light while maintaining vivid color.

- New 3.5k OLED display option for more vivid color with perfect black for significantly higher contrast; 100,000:1 contrast ratio & 100% DCI-P3 color gamut.

- Powerful performance to fuel creation - Perfect balance of size and performance to fuel even intensive creative projects with up to 12th gen Intel® Core™ i9 processors and up to NVIDIA GeForce RTX 3050 Ti graphics, plus up to 64GB DDR5 memory.

- The smallest performance class 15.6-inch with an incredible 92.9% screen-to-body ratio. Stunning new 4-sided InfinityEdge display enables a larger 16:10 display, designed to make you more productive.

- Using authentic premium materials, the XPS 15 is precision cut from CNC machined aluminum and aerospace-inspired carbon fiber in durable, lightweight design. The finest details are considered, and the essentials are elevated.

- Incredible sound for mixing or listening: Machined up-firing quad speaker design and the first-ever 15-inch laptop featuring Waves Nx® 3D audio for speakers tuned by multi-Grammy Award® winning producer, Jack Joseph Puig deliver an immersive 3D sound experience.

- Faster time to productivity with open to on in milliseconds. Integrated fingerprint reader and infrared camera supporting Windows Hello via touch or facial recognition allows fast and secure sign-in.

- Creator Edition configurations have been carefully selected for those who aspire to cultivate their digital content creation skills – whether that be in photography, graphic design, music production, or beyond. Plus, NVIDIA Studio Drivers undergo extensive testing to deliver the performance and reliability you need.

GEN OVER GEN COMPARE: XPS 15

SPEC	XPS 15 9510	XPS 15 9520
Processor	11th Generation Intel® Core i5 (4-core) and i7 (6-and 8-core), i9	12th Generation Intel® Core i5, i7 and i9 (14-core)
